We greet you this 1920 with news of Savings so important as to rouse the keen interest of all who look to us to render service, even beyond expectations.

Market conditions have been without precedent. Sources of supply have been handicapped, deliveries have presented many problems. Still, through all the months of work we realized that YOU would not expect us to fail you. Therefore, take careful note of your requirements. **BUY NO MORE OR NO LESS THAN YOU NEED**, but remember, please, that when these purchases we have made for you are gone, we will not be able to duplicate them for a long time, if ever, so far as experts of opinion can predict.
